

We invite you to help us Build A Masjid as an Investment in your future

“ he who builds a Masjid for Allah,
Allah will build one for him in the hereafter”

Masjid Bilal has embarked upon a 5 year Masterplan to construct a state of the art Islamic complex. This facilities will be designed to meet the needs of more than 250 muslim families in the metro Richmond area.

Architectural plans are currently under development by the Lawrence Ellis Williams Architectural Firm.
